With the tenant's written consent, you can be notified if a delinquent notice has been mailed to the tenant. Please contact your MVEA office for details.

This information will be made a **permanent** part of our records. It will be necessary for you to advise us if the property is sold so we can update our records. Without MVEA being notified in writing of sale and transfer of ownership, service could be placed into former owner's name, resulting in additional charges. A new form must be submitted if you make any changes to this information. No guarantee is made that service will not be disconnected upon a renter's request except that MVEA will make every effort to grant requests for automatic reinstatement.

If the authorized agent signs this form, a copy of the property management agreement with the owner must be attached. An electronic or handwritten signature is required.
